Motion to Amend & add Defendants to
Soregoing case.

11-07-07 Wednesday myself & my cellie Carey Caenona was wrongly moved out our cell due to we had no running water for 3 days, but they also wrote us up illegally using we held trays and Administratively moved us to Isolation on a dirty mattress on the floor no sheet to cover it with (1) Blanket and sheet no pillow, and I just got my legal work today with alot of missing personals legally, and personal. St/Alisa Profaci is a part of this lawsuit so this was vindictive, and Bias, and retaliation on her part, and officer G. Scola at the Delaware Correctional Center. Major James Scarborough is the Investigating Security Chief and the write up is suppose to be vacated like it never existed due to the circumstances. I was suppose to have still been on the Compound but was illegally moved. I want this all on record. My mom has been sick Mo. Gloria J. Dennis, My Aunt is on a machine, and had 4 strokes veg. state. I'm a victim of Circumstance. My cellie Carey Caenona is good younger

(Page 2) man whom is stuck in the middle, because of my suit which I suffered much injury and still go through pain daily. I've filed all my briefs on time and would like a up to date Docket of where my case stands today as of receipt of this letter.

Thank You

Sincerely,

M. Al-Muhammed Alick Shabazz
